Professional Summary

Highly focused developer with a multi disciplinary skill set honed over 4+ years in the high-tech industry, recently graduated from Israel Tech Challenge Coding Bootcamp.

Interned in a cyber security company and gained hands-on experiences with React, AWS cloud services(EC2, Amplify, S3) , RESTful API, server side technologies, SQL and NoSQL data management.

After working in Google as a project lead I discovered the passion for programming. Looking for an entry level Full Stack Development Position.
